"We had Jay as our DJ and he and his team absolutely blew us and our guests away. He did not miss on the dance floor - he had it packed for 4 straight hours! We had a consultation before the wedding where we went over our likes, dislikes and requests. He followed our wishes perfectly. He even took a look at playlists we created as inspiration and adapted to exactly our vibe. Will Nye the DJ Guy is the clear choice if you're looking for the complete wedding package!"
